

OPEN FRONT FIREPLACES SINCE 1996

*Golden Blount*

## LFP7224 Linear Fireplace

### Bolder proportions. Brighter flames.

The **LFP7224** expands on Golden Blount's signature LFP7218 with a taller opening and striking 8-10" flames. Higher output valve for taller flame height.

# LFP7224 Linear Fireplace

- BTU: 100,000
- Venting: 10" B-vent
- Horizontal termination allowed with power vent fan.
- Power vent fan is not required, but is highly recommended.  
Fan is needed in most newer, efficient homes, with foam insulation, unless adequate make-up air is supplied in addition to outside air kits.

## Accessory Options:

**Panels:** Rear and side panels available in **Antique Red**, **Black** (pictured). Also available in **Buff**, and **Charcoal** (not pictured).

**Cannon Balls** and other fiber or ceramic media kits may be used to create your own personalized aesthetic for the fireplace interior.

(Permitting there is zero flame impingement on fiber media, and ceramic media must leave all burner ports open.)

**Decorative Ceramic Logs:** See photo below with optional 5 piece Ghostwood Logs.

## LFP7224

Shown with optional 5 piece Ghostwood Logs and Fluted Panels. Ghostwood Logs are available in **Original Grey** (pictured) or **Ash Brown** (not pictured).
